

If this box measures 3 inches (76.2 mm) after printed, this chart is correct.

## STEP 1

Print this guide without fitting to page.  
 - for Mac select "none"  
 - for PC select "Actual Size"  
 Use the "**MEASURE ME!**" area to confirm accurate printing.

## STEP 2

Tape printed guide to a flat **HARD** floor.

## STEP 3

Place one **BARE** foot on the guide with your heel on the line labeled "**PLACE HEEL HERE**".

## STEP 4

Stand up straight and have someone draw a line on the guide where your longest toe ends. **DO NOT** bend down to draw the line yourself.

Place Heel Here

## STEP 5

Repeat **STEP 3** and **STEP 4** with your other foot.

## STEP 6

Choose the size that is closest to the measurement of your **LONGEST FOOT**.

## SHOE SIZING GUIDE: Chassé® ProFlex® Shoe (S1419)

The measurements of this guide are specific to the Chassé ProFlex. The ProFlex features a double-cushioned insole with a removable pad to help you achieve a perfect fit. For a looser fit remove the extra insole. For a tighter fit insert the extra insole.

Not applicable to any other Chassé shoes or shoes of other brands. This shoe sizing guide should be used as a guide only. For accuracy follow the directions on this guide.
